MISSION OF THE KING: REPORT OF THE MISSION TO THE OFFICE OF THE UNITED NATIONS PROGRAMM FOR THE DEVELOPMENT (UNPD) IN CHILE.

Blessed Love
My Lord and Empress,
Prince and Princess

Give thanks and Praises for Lofe, and Our Blessed Life Giver, Blessed Trinity and all His Celestial Powers who rule earth, sky amd sea. We do give thanks and glorify for our Prophet Marcus Garvey for his vision, High Priest of Salem Jes- us Emmanuel for the Ceremonial Order and the snatification of the people, and King of kings and Legend of Life Emperor Selassie I for his teachings about the Governmant and Leadership of a Nation, whatt a Mighty God we praise, Holy Emmanuel I Selassie I Jah Rastafarl.

Heart of Love to one and all in the Royal Courts of the Mighty King David four wings. Glad tiddings of Rastafari is spreading all arround, Christ disciples tell us to me. The time has come for our Black Government to advance in our aims and objectives internationally, at these time to calling at UN and his relevants Offices for secure our fundamental rights of Freedom, Redemption and International Repatriation.

On October 27, The Royal Deleagation of the EABIC, integrated by Hon Priest Rodrigo Calderón, Hon. Prophet Iván Espinoza, Hon. Prophet Cristian Vasquez, Hon Prophet Robinson Ojeda and Hon Prophet Daniel Ramirez, went to the Office of the Resident Coordintor of the of the UN, to an interview with Sr Alejandro Mañon, Officer of Interagency Coordination. We also were reciebed by Mr Michael Granadillo.

The UNDP is one of the Offices which form a part of the UN System operating in Chile, System that is working on coordinate the activities and programmes of the UN in Chile.

The Meeting, that take about 2 hours, was a very informative to us, where the EABIC can officially introduce before these Office and discuss on the case of Freedom,Redemption and International Repatriation, and his agitation thorough Human Rights for these Fundamental Rights.

I&I briefly show the activities of the EABIC, in the national and international area, during these 53 years foe the cause of African Redemption. We share the 17 pages Document of Repatriation and the 4 Points Agenda, moreover the activities of our Office in Chile.

The EABIC point out to the Officer of the UN that these cause of Reapatiation must be on a government to government levels, as the 4 Points Agenda suggest, we require international dialogue with all the Nation and Heads of Governments worldwide involve in the genocide of Slavery, to work out the necessary diplomatic process and protocols to make Repatriation Movement a reallity.

We show them that the Congress stand universally for the Black People in Diaspora, who freely and heartened, want to go back to his Mother Land, where they were cutt off through the brutal genocide of slavery and slave trade.

Repatriation is an extension of Reparation to the damage caused by such brutal genocide againt a Nation, is an viable alternative for the solution of the problems that still afecting the Black people in western hemiphere as consequence of racism, colonialism and new forms of slavery.

The present situation of the Black People in the Diaspora and the political, social and humanitarian conditions in which they are living were a important topic during the interview and where the EABIC explain to Mr Mañon and Mr Granadillo about our process of International Repatriation, according to the same vision of the Back to Africa Movement of our Prophet the Right Honourable Marcus Garvey, where the aim and objective is help Africa, and africans at home and abroad, through self determination and self development to develop a Nation, and not to create social disorder not to beg or be a burden to the African governments where our Congress operate. We briefly bring to light the works of our Congress in the continent, specially in Ethiopia, Ghana, Nigeria and South Africa.

Mr Mañon say to us tha he was agreed with our works, and show us that the issue of Repatriation was unknow to him because of the present reallity of the Black people in these Region, where almost part of the the Black People want to integrate in his country where they reside instead to Repatriate to Africa. Mr Mañon comments that he never imagine that some black people in the Caribeian to want to Repatriate.

Sameway, we show that the case of Repatriation is one of International levels, which involve and benefict another peoples in the Region, as the Indigenous People, who suffer the same conditions and want to get the same righth of self determination, as the UN Declaration of Indigenous People suggest. to develop his own customs, tradition, self governance, self sustentable proyects, etc.

Mr Mañon suggest us that we should get involve in our agitation more people who show simpaty for the case and agree with us, specially work in cooperation with the local Afro Ascendant people in Chile, to make our voice more stronger and sensitize the international opinion, as Mracus Garvey says the voice of the poeple is the voice of God, Marcus Garvey I Selassie I Jah Rastafarl

The Royal Delegation ask officially to the UNDP to extend an invitation to the EABIC, through the Royal Office in Brazil, to participate in the upcoming event of November called IberoAmerican Meeting of the International Year of the AfroAscendant People in Salvador Bahia, Brazil.

Mr Mañon told us that we must inform him about the specifics details of the Event, and then can make us a official contact.

The EABIC express to Mr Mañon our wish to participate in such events concerning the Afro Ascendant People and make our voice be heard because the topic of Repatriation need to be include in the International Agenda and not be put away anymore.

There is a real possibility, though the sponsor of the UN Office in Chile, to make reach letters to Asambly General in New York or to the present Secretary general Mr Ban Ki Moon concerning our rights.

I&I need to revive the direct dialogue with UN again and call them at these time to get some recognition of our rights of Repatriation.

Mr Mañon express us to keep the communication and works in the topics of common interest, as human rights dissemination and others, and help us in every way possible according to his Office, even to make lobby and get interviews with other UN Offices relevants, as UNESCO or UNHCHR.

Conclutions and Reccomendations:

- Its important to our local/regional development get in contact and work in cooperation with Afro Ascendant Organization where Congress Office is located, specially in areas of mutual interest as human rights, cultural exhibitions, programms of self sufficiency to improve and strengh the conditions of the black people universally. Moreover, have a general vision of the present situation of the Black People in order to make a coherent and consistem agitation of our rights.
- The EABIC must work on the development of a Global Plan of Repatriation , in concordance with the 4 Points Agenda and 17 Pages Repatriation Document, with speciall consideration in the human rights area, with an update focus in the relevants documents of International Law and Human Rights where we adhere our rights in order to reinforce our strategy in the UN, AU, OAE, Arab League, CARICOM, etc.
- All the Office and Branches of our EABIC Government must revive the communication with the UN and all relevant Offices there, in order to make more stronger our voice inside the Organization, and call for our rights in one accord until the UN meet our plea and give recognition to our pleas, because as His Majesty teach us “ Equilaity and Justice stand for one and all without restrintion of color, religion, man skins,Human Rights stand rich and poor, for black people, white people, indian people, chinese people, Most High Selassie I Jah Rastafarl.
- Anny suggestion and/or opinion about or works will be highly appreciatte in order to strengh our works and put it in the highest of the international level as King Emmanuel teach us to work.

Freedom, Redemption and International Repatriation is our only development in the Wester Hemisphere Black Ethiopian Sons and Daughters want to go Home at these Timej, World Peace God Jah Rastafarl Selah Selassie I Jah Rastafarl.

A Black Heart of Love to the Royal Family of God, may the Almighty bless you and keep you and keep your copups full of salvation and joy, Jahovia Jah Rastafarl
