MISSION OF THE KING

ICTORY OF GOOD OVER EVIL.

December 3, 2009

To Whom It May Concern:

The Ethiopia Africa Black International Congress True Church of Divine Salvation is Calling all Branches and Members of the Congress in the Four Winds of Earth to our March 1, 2010 Conference and Congress Day Celebration at its Head Quarters in 10 Bull Bay St. Andrew Jamaica West Indies. Ones who can come before are asked to come prepared to help to organize the event and ones who come for the event prepare to work for the Congress development. One to six months stay is needed to set things right in Order.

Micah 4, Isaiah 2 & 43 Joel 3.

This Conference is scheduled to Rectify Organize and Centralize our Fathers Government in the Way He Left it functioning before He ascended, in order to Champion the Aims and Objectives of Freedom Redemption and International Repatriation for ALL Black Man, Woman and Children in the Diaspora to be sent back under their own vine and fig tree.

We are asking All Members from North, Central, and South America the entire Caribbean, Australia, Asia, Europe including Spain, England and France and the entire Continent of Africa and surrounding Islands to attend this very Paramount Important Conference and Celebration of our Mighty Fathers Congress the Rt. Hon. King Emmanuel Charles Edwards.

If the Heads of each Branch can't be there then they can send a representative. If that can't be done send a letter with a situation report of the condition you're in and works done for the Congress and if possible a monetary strength of whatever can be sent even \$1 (one dollar) per member. Dialogue with all branch chairman needs to take place forthwith as to gather a consensus on their various local situations so that we can develop an agenda for the reasoning that will seek to address and rectify where possible all concerns. If we wait until March to seek organization at the branch level there can be chaos. It is a prerequisite that we organize at the branch level before we can centralize internationally. Reference, Plan of Action document in the march 1st package. This is a Material and Spiritual Government and so we need every Bobo Shanti Member's cooperation to achieve our redemption even as our High Priest King Emmanuel has said, if even by our own hands, Redemption is a must!

We ask all those with building and technical skills, Engineers and Architect most of all, to be there as you are the first wave of pioneers to continue building our Fathers Kingdom with teachers, doctors, security personnel and laborers to help assist the reconstruction of our infrastructure. Everyone most come with their ideas in form of curriculums to teach Congress Members Worldwide the basic needs and develop a

sense of order as we begin to re establish our Governments internal organs for economic and spiritual independence.

For this reason our International Ambassadors office has taken the initiative to produce an international fund that would be for the basic construction and or renovation of our government's infrastructure; primarily the road to Headquarters, fencing for security, electrical equipment and proper water distribution with baths and latrines at Empress Quarters, Brethrens Quarters and Camp Ground alike with proper septic construction, Internet and telephone communication also secure offices to house said equipments mainly the Gate House, the Main Office and relative official offices with an intercom systems to every vital point of the Camp grounds: Examples of these vital areas include, Guard House look out posts, Leading Empress Quarters, International Garden, International kitchen, Central office and Industrial buildings (craft shops and garment and sandal shops). Construction of our Tabernacle, Visitors Quarters (male and female), a 17 day Free House and Educational buildings (Jerusalem School room and conference hall) would then become as easy as it should be to build as we would have the proper requirements to build them to local government code introduced with proper Architectural documents for said buildings.

We pray that through righteous cooperation and Brotherly and Sisterly love we can attain these goals seeing we have little choice.

Please sign this document and return it to our office that we may have a consensus of all who are willing to sacrifice the widows might to make this happen in anticipation of our governments Organization as is written in our Royal Constitution, Principals Laws and Commandment. We also need to know how many will attend said Conference so we can provide proper accommodations.

We pray everyone success in doing this mighty work of Christ as He even has said we shall do (John 14-12). Holy King Emmanuel the 7 Adoni I God Jah Ras Tafari!!!

We seal with 7 words of love; God is love let us all love.

I am your brethren in the Army of the Black Christ,
