**REPORT OF THE INTERVIEW OF THE
E.A.B.I.C. WITH THE AMBASSADOR OF SOUTH
AFRICA IN CHILE**

December 20th, 2009/2010

To all member of the
Ethiopia Africa Black
International Congress
Church of divine Salvation

I&I the Royal Congregation of Priests, Prophets, Empresses, Princess and Princesses of the Ethiopia Africa Black International Congress take this glorious opportunity to send our love and blessings to all the Black House of Israelights universal and internationally.

The time has come to agitate for the redemption of Africa in this time. All the Black Governments must open the door to repatriate his brother and sisters who are suffering in the Diaspora through the voice and power of one Man, the only Black Christ who speak to the nations, Holy Emmanuel I Selassie I Jah RastafarI.

International Repatriation through the vision of the right honorable Marcus Garvey: Africa for the Africans, those at home and us abroad, Europe for the Europeans, China for the Chinese and the Caribbean Island belong to the native people as the Arawaks Indians, Aztecs, Mayas, Incas and Mapuches, every one to his own vine and fig tree to bring forth world peace upon the face of the earth (Isaiah 43, Joel 3, Micaiah 4)

The Representative of the EABIC, Honorable Priest Rodrigo Calderon and Honorable Empress Katherine Riquelme, Ambassador of the Empress League, were invited to have a lunch and meeting with the Ambassador of the Republic of South Africa in Chile, Dra. Duduzile Moerane-Khoza.

This meeting, sponsored by the South Africa government, took place in the Hotel Sheraton Miramar of Viña del Mar in December 16th 2009/2010.

During our meeting we discussed the following talking points:

1. Our cause of Freedom, Redemption, International Repatriation and the future sponsor of the South Africa government in this cause.
2. Representation before the African Union.
3. Present Mission of the EABIC in South Africa.

Concerning to the Agenda of Reasoning:

1. The topic of the International Repatriation was approach and was presented the 4 Point Agenda document.

We were informed by Dra. Khoza, who was already aware of this topic because Mr. Sengani informed her about our previous meeting, **that the documents presented by the EABIC were submitted to the Pan African Parliament of the African Union to be analyzed and discussed.**

The Ambassador inform us that the answer about the topic will come in February so when she received it, she would submitted the answer to us

2. With respect to the representation before the African Union, this could be seen after the pronouncement of the Pan African Parliament referent to this topic.
We ask in a formal way that the government of South Africa agitate in favor of the EABIC for the future application of an Observer in the African Union.

Furthermore, Dra. Khoza told us that are preparing an African Conference of the Diaspora to be celebrated in the Caribbean and will be invited all the African groups' representatives in the Diaspora.

We are agitating, through the South Africa Embassy, to get an invitation to the EABIC to take part of this coming Conference.

3. Dra. Khoza was well aware of the works of the Congress in South Africa and was seeking to strength us in every way according to her Office.
We are trying to contact the Priests who are leading the works in South Africa to seek the way in which we could strength them through the Ambassador.

Moreover the Ambassador Dra. Khoza offer us a open invitation to participate in future cultural presentations that the South Africa Embassy will make here in Chile.

The portfolio with the activities of the EABIC Chile Branch in the arena of human rights and the dissemination of the Rastafari culture were presented to the Ambassador and we establish a dialogue to work on topics of mutual interest, as the human rights and African cause.

Black Ethiopian Congress moving on from low land to high land, over mountains, rock and valley. We ago lift our banners of the red, gold and green; red, black and green high, we ago wave them in the land.
We ago sing and shout, we ago praise FarI, for the Congress moving on for Freedom, Redemption and International Repatriation.

Holy Emmanuel I Selassie I Jah Rastafari
